## EXPLANATION

1 21 This bill deletes a provision that appropriations to the  
1 22 office of grants enterprise management of the department of  
1 23 management from indirect cost reimbursements to state agencies  
1 24 shall only be taken from the increase in indirect cost  
1 25 reimbursements over the amount of indirect cost reimbursements  
1 26 received during the fiscal year beginning July 1, 2002.  
1 27 Instead, the bill provides that the appropriations will be  
1 28 taken from indirect cost reimbursements without qualification  
1 29 relating to increases over the 2002 level. The bill also  
1 30 provides that the current annual appropriation of up to  
1 31 \$125,000 shall be allocated for office expenses, and that an  
1 32 additional appropriation for FY 2006=2007 and FY 2007=2008 of  
1 33 \$35,000 each year shall be made to provide grant  
1 34 identification and writing assistance to state agencies. The  
2 1 bill makes corresponding changes and deletions to remaining  
2 2 language in the applicable subsection.
